

Hillary Lemacks

Hello, my name is Hillary Lemacks. I am the General Manager at H.R. Kirkland and I have been with the company for 6 years. My areas of focus at H.R. Kirkland are managing our accounts and finances within the company, overseeing inventory, and remaining engaged in all projects/daily tasks within our operations. I am interested in being a Board Member for SFPE so that H.R. Kirkland can help be a viable asset in the Fire Alarm Community. I also look at this as a chance to further my education and knowledge base of fire alarm systems. I want to be able to network with other industry leaders and help provide any assistance I can within the scope of being a Board Member. I believe that there is always room for learning and growth, and if there is any way I can improve my expertise in this field, as well as benefit SFPE and Kirkland, well...that is a position I am looking for.
