

Rich Salacinski, SET

Rich Salacinski is a Nicet IV (FA) Life Safety Expert at Encore. He impacts projects from conceptual design through supporting the Life Safety systems installation, testing, and final acceptance. Rich has been in the industry for over 25 years beginning as a special hazards system installer and has since been a designer, project manager, and consultant. Rich holds the supervisor licenses for Encore in many jurisdictions (Aurora and Pikes Peak). He leads a team that continuously improve installation and testing through education. Rich hopes to bring his unique installation perspective to SFPE.
